Re: ***United States v. Quaysean Cannonier, 20 Cr. 674 (NRB)***

Dear Judge Buchwald:

The Government writes, jointly with defense counsel, to provide a status update in the above-captioned case. The Government understands that the defendant's evaluation has been completed and that defense counsel is waiting to receive a copy of the evaluation report. The parties are also in discussions regarding a potential pretrial disposition of this matter. Accordingly, the parties respectfully request that the Court schedule a status conference for early September 2021, at which point the parties anticipate being in a position to resolve this case or to request a motions schedule and trial date.

In the event that the Court approves this request, the Government further requests, with defense counsel's consent, that time be excluded under the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A), between today and the date of the status conference in the interests of justice. The exclusion of time will provide defense counsel with the opportunity to obtain the requested evaluation report and for the parties to continue their discussions regarding a pretrial disposition of this matter.

Respectfully submitted,

AUDREY STRAUSS
United States Attorney for
the Southern District of New York
